Oudah Yobom (2014), "unemployment and its consequences on the final consumption of French households" supervised by M. Patrick kouontchou, University of Lorraine, Metz, France.

Oudah Yobom (2013), "Impact of the 2008 economic crisis on the final consumption of Moroccan households" supervised by Mr. Mohamed Abdou, Moulay Ismael University, Meknes, Morocco.

Teaching Experience

Microeconomics

- Introduction to microeconomics, Bachelor (year 1), François Rabelais University of Tours (12 hours)
- Microeconomics, Bachelor (year 2), François Rabelais University of Tours (144 hours)
Consumer theory, producer theory, supply and duality, risk and dynamics.
- Microeconomics, Bachelor (year 3), François Rabelais University of Tours (96 hours)
Partial equilibrium, general equilibrium, monopoly and natural monopoly, externalities etc

Econometrics

- Econometrics, Bachelor (year 3), François Rabelais University of Tours (40 hours)
Linear regression, OLS, etc ...
- Applied Econometrics with , Bachelor (year 3), François Rabelais University of Tours (32 hours)

Agricultural Economics

- Economy and Agricultural Policy of Southern Countries, Agronomy Cycle, Agrosup Dijon (6 hours)

Statistical economy

- Statistics and Excel, Bachelor (year 1), University of Bourgogne Franche-Comté (30 hours)

Interactive work, support and practical work

- Methodological reinforcement, Bachelor (year 2), François Rabelais University of Tours (20 hours).
- Academic support, Bachelor (year 1), François Rabelais University in Tours (32 hours).
- Research methodology, Bachelor (year 3), ISCAE, Nouakchott, Mauritania (2 hours).

Personal Information

Citizenships: Chad

Languages: French (native), Arabic (native), English (Language of research and scientific work)

Programming / Computing :

Quantitative : , Stata, QGIS.
